

Minutes of Meeting of Property Owners  
Association of Stocker Pond Saturday  
August 28, 1971

The annual meeting of the Property Owners Association of Stocker Pond was held at the cottage of Mr. and Mrs. Warren Heinzlemann on Saturday evening, Aug. 28, 1971. Present were: President and Mrs. Warren Heinzlemann. Dr. John Heinlein, Mr. Donald Cole, Mr. Ted Rouillard, Mr. and Mrs. Clif Bonneville, Mr. J.P. English, Mr. Joe Dasaro and Rev. Robert Carty.

The meeting was opened at 8:35 and the minutes of the previous meeting were read and approved. The treasurers report was sent out with the notice of the meeting. All dues have been paid as of this time.

A discussion followed concerning placing on article in the town warrant to have town records show that the whole road on the east side of the lake be a part of town road. Mr. Joe English was appointed to see that this article was placed in the town warrant.

Under Old Business, President Warren Heinzlemann read a reply of the letter he sent to John Palazzi on August 24, 1970. In the reply Mr. Palazzi stated that replanting of seed in sections needing it had been done but the area near the water was left as sandy beaches.

The report of the meeting with town Selectman was made assuring all that there was no discrimination in the assessment of Summer Residents.

New Business

Dr. Heinlein spoke of the area on Stonnybrook Road going toward Georges Mills from Sanborn Hill Road as being a polluted area and perhaps contributing to the water problem of Stocker Pond. Dr. Heinlein made the motion and Mr. Donald Cole seconded it, that the Water Resources Board of the State be notified and advised of this area to see if anything could be done about it. This motion was passed unanimously and President Heinzleman was going to write the letter.

The second discussion centered about the logs in Stocker Pond. Mr. Bonneville volunteered to clear some of them and was to ask Mr. Reney if the saw mill could dispose of them. Dr. Heinlein was to contact Mr. Pillsbury as to cost of removal of these logs and report to the President.

The General Consensus was to continue the payment to yearly dues and the Treasurer was appointed to enter about \$150.00 into a savings account from the checking account.

Mr. Gurin is the name of the new residents on the lake and President Heinzlemann was to check their address and intentions in joining the Association. Fr. Carty was instructed to send them the minutes of this meeting when the President forwarded the Gurin address to him.

The owners of cottages on the West Side of the Lake spoke of the vandalism which occurred in their cottages, the minor damage done, the objects stolen and the apprehension of the vandals.

No action was taken on the social event of the Association brought up in the 1970 meeting.

With no other business or discussion

The meeting closed at 9:55.
